Subject: DFARS Specialty Metals Fastener Self Certification

To Whom It May Concern:

PB Fasteners certifies that it will purchase, during the relevant calendar year 2011, an amount of domestically melted or produced specialty metal, in the required form, for use in the production of fasteners for sale to DoD and other customers, that is not less than 50 percent of the total amount of the specialty metal that PB Fasteners will purchase to carry out production of such fasteners for all customers. Therefore, we consider the commercial fasteners produced by PB Fasteners to comply with deviation exemption (Deviation Number 2008-00002 entitled "Restriction on Acquisition of Specialty Metal") to DFAR's 225.7014,

Applicable supporting documentation will be made available to appropriate parties upon request with 30 days' notice.
