Subject: DFARS Compliance Statement

To Whom It May Concern,

Parker Fasteners is committed to meeting all applicable requirements under the Defense Federal Acquisition Regulation Supplement (DFARS) as they relate to our products and services supplied to defense and aerospace customers. We hereby certify that, to the best of our knowledge and belief, Parker Fasteners complies with the following DFARS clauses as applicable:

1. **DFARS 252.225-7008** – Restriction on Acquisition of Specialty Metals
2. **DFARS 252.225-7009** – Restriction on Acquisition of Certain Articles Containing Specialty Metals
3. **DFARS 252.225-7012** – Preference for Certain Domestic Commodities
4. **DFARS 252.204-7012** – Safeguarding Covered Defense Information and Cyber Incident Reporting (*if applicable*)
5. **DFARS 252.246-7007** – Contractor Counterfeit Electronic Part Detection and Avoidance System (*if applicable to parts*)

All specialty metals used in products supplied by Parker Fasteners are melted or produced in the United States or in qualifying countries as defined under DFARS.

Should Parker Fasteners provide any non-domestic or non-DFARS compliant material, it will be disclosed in writing and approved prior to shipment. This certification is based on information provided by our raw material suppliers and internal quality assurance measures.

If you require any additional documentation or have questions regarding this certification, please feel free to contact us at sales@parkerfasteners.com.

Sincerely,
